

**Joint Meeting of UMI-SIMAI-PTM
Wrocław (Poland), September 17-20, 2018
Second Announcement**

We are very happy to announce that the organization of the UMI-SIMAI-PTM Joint Meeting Wrocław, September 17-20, 2018 is well on schedule. We are pleased that the meeting has been noticed widely within the communities of the three organizing societies and also in many other countries.

There will be 45 Thematic Sessions and the Poster Session. Since the organization of the thematic sessions is the responsibility of their respective organizers (listed on the conference webpage), participants who would like to deliver a talk at a session should contact the session organizer directly. Such a submission can be approved only if there is a time slot available. Those who do not intend to have a presentation but would like to join a session are also kindly asked to identify this session during the registration. It will help us distribute lecture rooms in an optimal way. The Poster Session is still open for submission.

We cordially invite everyone who is interested in the UMI-SIMAI-PTM meeting or would like to take part in any of the various activities it offers to attend. The registration is still open.

Registration, Payment and Accommodation.

We recommend the participants to pay the conference fee as early as possible. It is essential for the conference materials, booking of social events, etc. Note that the conference fee will increase following 30th June, 2018.

We also advise you to book a hotel room well in advance. There are other big events in Wrocław at the same time so the hotels could be crowded. It might be easier to find a room in a smaller hotel rather than in a big one that belongs to an international hotel chain. Additional information can be found on the tab "Accommodation" of the meeting's webpage: hotel recommendations, discounts or dormitory rooms available. In any case, our hotel team can help you if necessary.

Note that you can modify data you have entered during the registration after logging to your conference account (<http://umi-simai.ptm.org.pl/account/>).

Scientific Program and Schedule.

The general outline of the scientific and social program of the conference is now posted on the webpage tab "PROGRAM".

The Opening Ceremony of the meeting will take place on Monday, September 17, at 9.30am in the Conference Center (building D-20) of the Wrocław University of Science and Technology. The building is located near the Faculty of Mathematics of the WUST and not far from the Faculty of Mathematics and Computer Science of the University of Wrocław.

The first two plenary talks will be held in the Conference Center (building D-20).

Social program.

The social program will start on Monday evening with a three-hour Odra River boat trip through the old town of Wrocław. During the trip a complimentary meal will be served. On Tuesday evening there will be a concert by Motion Trio at the Main Hall of WUST in building A-1. Finally, there will be a conference banquet on Wednesday night. The cost of the social program is included in the conference fee.

Tourist program.

The UMI-SIMAI-PTM meeting is also an opportunity for individual sightseeing, especially in the old town. Even though we do not plan any organized trips, everyone interested is encouraged to ask the organizers for hints or contacts to local tourist agencies.

Arrival information and practical tips can also be found on tabs "VENUE" and "PARTICIPANTS" on the main webpage of the conference.

Contact. For details and more information please visit <http://umi-simai.ptm.org.pl/> or contact us by umi-simai-ptm@ptm.org.pl
